Mr. Sam Scaturro, President
Alpine Painting & Sandblasting
17 Florida Avenue
Paterson, NJ 07503

Dear Mr. Scaturro,

On behalf of the New Jersey Subcontractors Association, I am pleased to inform you that Alpine Painting and Sandblasting has been chosen to receive our **2018 Safety Award**. Our selection was based on several factors, including your OSHA log statistics, Workers Compensation Experience Modification Rate, and current Safety Program management.

NJSA is committed to improving the safety of our member companies and their employees. Our goal is to raise the level of awareness, offer assistance in safety programs, and promote safety through awards and recognition. It is our hope that members of NJSA will not only be the best subcontractors in the country but also the safest. As a recipient of this award, you help define excellence in safety and serve as a role model for member companies.

Your award will be presented at our **46th Annual Awards Dinner** on Saturday, November 10, 2018 at The Brownstone in Paterson, NJ. You will receive a formal invitation soon and we invite you to join us at this lovely affair. The event will begin at 6:00 pm.

In order to prepare for the event, we will need a black and white photograph and biography for our Souvenir Journal, by September 28, 2018. We also ask that you provide us with a list of business associates, friends and family, etc. who would be interested in attending the dinner and/or offering their congratulations on your outstanding accomplishment. These people and companies will be sent a formal invitation and invited to participate in the Souvenir Journal.

This event is always well attended; reservations will fill quickly. We encourage you to send your guest list to the NJSA office as soon as possible in order to ensure invitations will reach your intended guests in ample time. Please note that you are not limited to the number of guests invited on your behalf.

You join a select group of leaders within the construction industry who have elevated the standards to which we strive. We thank you for your contributions and we applaud your achievements.

Sincerely,

Buddy Freund
Executive Director
